*Inspired by the tradition of Italian cooking
and the art of preparing great meals...*

 450 CFM

 55 dB(A)

 3 Speed Control

 PVC Blower

The Forno Frassanito 30" Recessed Range Hood is made of 430 food safe stainless steel and grey metal body for the ultimate sleek look. An impressive 450CFM airflow provides powerful yet quiet operation while you cook, quickly traps cooking smoke, odors, and grease particles in the air to ensure your kitchen remains clean and fresh. Equipped with 3 LED lamps, a stainless steel baffle filter and an intuitive 3-speed push button control panel allowing you to quickly adjust the hood's settings according to your specific needs. With its modern design and efficient performance, this range hood is sure to be a stylish yet practical addition to your kitchen.

Features

- Features a slim, built-in 430 stainless steel baffle filter and grey finish painted metal body.
- A powerful 450 CFM airflow blower quickly removes smoke and odours from your kitchen, ensuring maximum ventilation and minima noise levels for a quiet operation.
- 3 speed push button control for easy operation makes it simple to adjust fan speed air flow and ventilation levels.
- Three LED halogen lamps offer long-lasting performance and energy efficiency to provide bright illumination for cooking and baking.
